

EWRI Members,

You are invited! It's a **pre-TEE Shindig!**

Who: You because you are an EV major and you ROCK!

Where: WH5300 and the 5th floor rotunda

What: Dinner that is NOT mess hall food! (and a movie afterwards for those without mandatory ESP)

When: **Wednesday 12 Dec, 1830-1930** (and then a movie in WH5300 afterwards for Cows and Firsties)

Why: Because TEEs are approaching and this is our last chance to hang out together before holiday leave!

RSVP deadline: **Friday 7 Dec** (so we can bring enough food - the commissary is closed on Mondays)

Food: Something other than pizza, (Most Likely party subs) Plenty of variety, lots of home-baked desserts from faculty (If you haven't had MAJ. Kimball's brownies, you are really missing out)

Movie: We haven't decided yet - something good, we were looking for some new releases (Pirates of the Caribbean 3, Shrek 3, etc..) **and will take suggestions, send them to CDT Weart.**

RSVP to MAJ Kimball or to any of your EV instructors (COL Lynch, LTC Smith, Dr. Butkus, Dr. Johnson, MAJ McAllister, MAJ Wallen, MAJ Davis, MAJ Kimball, MAJ Roux, CPT Czekanski)

EWRI is having a contest to change our name. We don't really have that much affiliation with the official organization of Environmental & Water Resources Institute, so we'd like to change the name to something more meaningful to cadets.

The winner will be decided by the cadets who attend the pre-TEE Shindig on 12 Dec, with creativity and environmental connections being a plus!

This tent could be yours!!! It's a Coleman 3-person tent! Great for camping!

Send your ideas to CDT Weart A3 '08 NLT 11 Dec - the ideas will be displayed at the pre-TEE Shindig for everyone to vote on and then we will announce the winner there.

Lastly, I will be unable to attend the event because of a recently and inflexibly scheduled appointment so I need some help. If there are any cows who would be interested in being the Vice President please e-mail me.

This should be a real fun night so I hope all of you can make it !!!

Good Luck on the remaining 2+ weeks of school and TEEs

Respectfully,

CDT David Weart
