

SOUTH CAROLINA, 1781

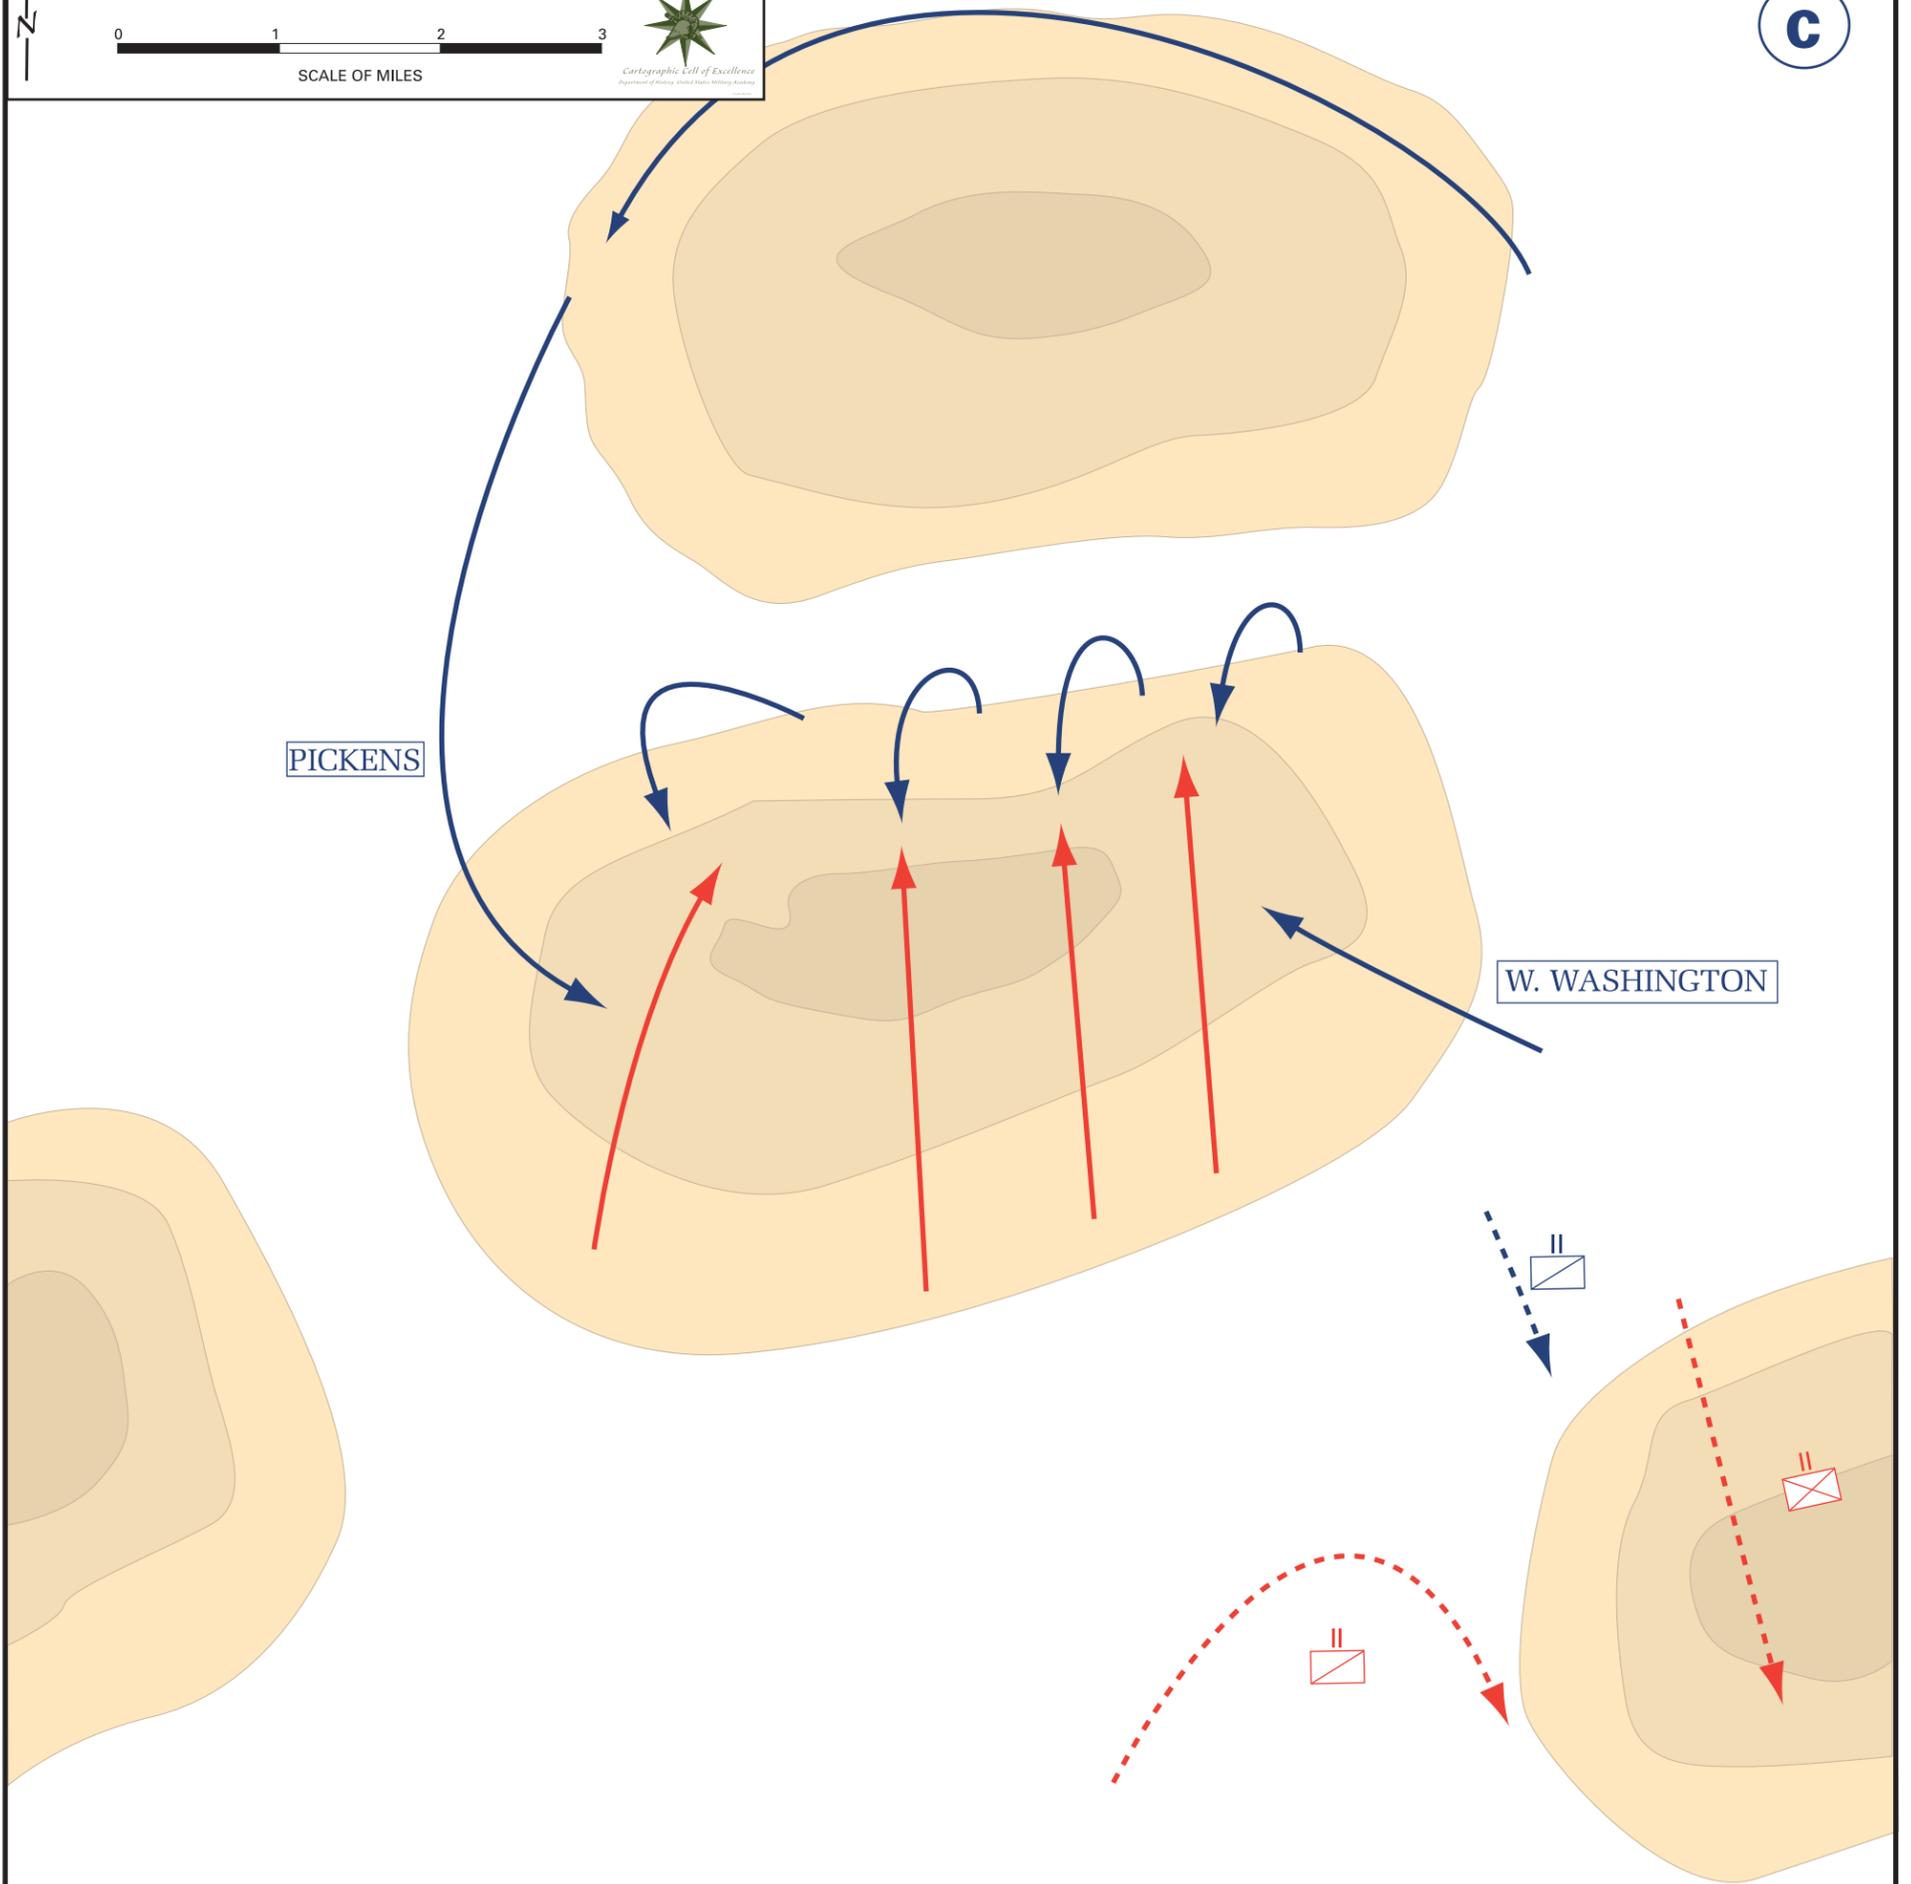

THE BATTLE OF COWPENS, SECOND PHASE

The American Counterattack, 17 January 1781

37

C

Legend

Decisive maneuver.

Retreat and pursuit.

Note on Terrain: The field of battle was virtually level: elevation shown here were of significance only in that they were high enough to conceal men standing behind them. The area was sparsely wooded but there was no underbrush. Maneuver was unhindered.
