United States Military Academy  
West Point, NY 10996

22 February 2008

Dear ██████████,

Congratulations! Your entry, "*Escape to West Point*", was chosen as a runner-up in the MAA's inaugural MathTube contest. There is an obvious enjoyment in the making of this video as both cadets look to be having fun, and an American Idol-esque element to the singing. Each member of your team wins a \$25 MAA gift certificate and a collection of MAA products (flying disc, deck of cards, travel mug and stress-relieving icosahedron). These will arrive in the next few weeks. Again, congratulations on this achievement.

Sincerely,

Dr. Robert W. Vallin  
MAA Associate Director of Student Programs
