

MA205 Lesson 20

Oh No! Functions of Several Variables

Friday, September 21, 2007

Outline

- 1 From AAR on WPR
 - Stats and Question
- 2 3D
 - Visualizing 3D
 - Functions of Several Variables
- 3 Look at for Next Time

Outline

- 1 From AAR on WPR
 - Stats and Question
- 2 3D
 - Visualizing 3D
 - Functions of Several Variables
- 3 Look at for Next Time

Some WPR Statistics and How did you do?

- Statistics from AMS/CIS!

Some WPR Statistics and How did you do?

- What factors contributed to your overall performance on the WPR?

Outline

- 1 From AAR on WPR
 - Stats and Question
- 2 **3D**
 - **Visualizing 3D**
 - Functions of Several Variables
- 3 Look at for Next Time

Visualizing 3D

- 1 Think of a room with the left corner as the origin. Look at pages 793-796

Visualizing 3D

- 1 Think of a room with the left corner as the origin. Look at pages 793-796
- 2 Model

Outline

- 1 From AAR on WPR
 - Stats and Question
- 2 3D
 - Visualizing 3D
 - **Functions of Several Variables**
- 3 Look at for Next Time

Functions of Several Variables

- 1 Domain and Range and their nomenclature

Functions of Several Variables

- 1 Domain and Range and their nomenclature
- 2 ▶ Wind Chill

Estimations using Data

- Estimations using tables or graphs.

Questions
