

Overview Briefing

August 2005

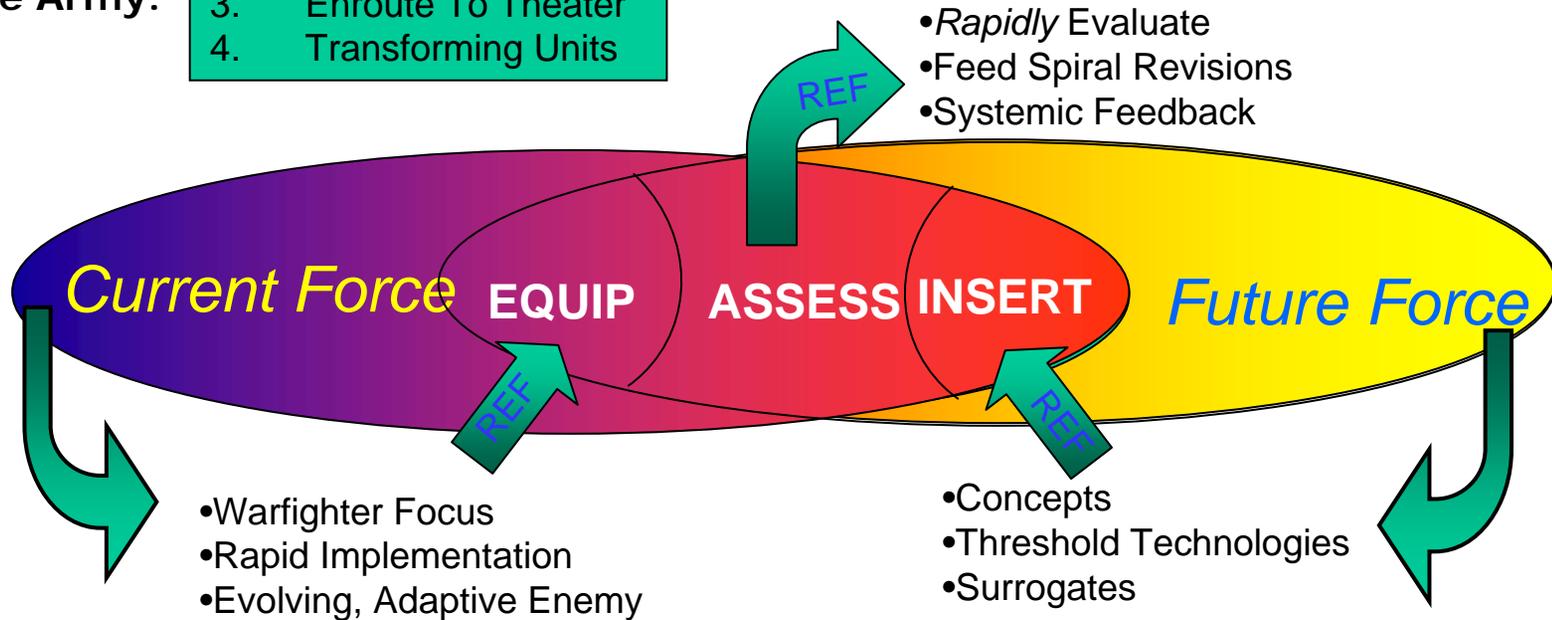

CSA's Guidance

Support
to the Army:

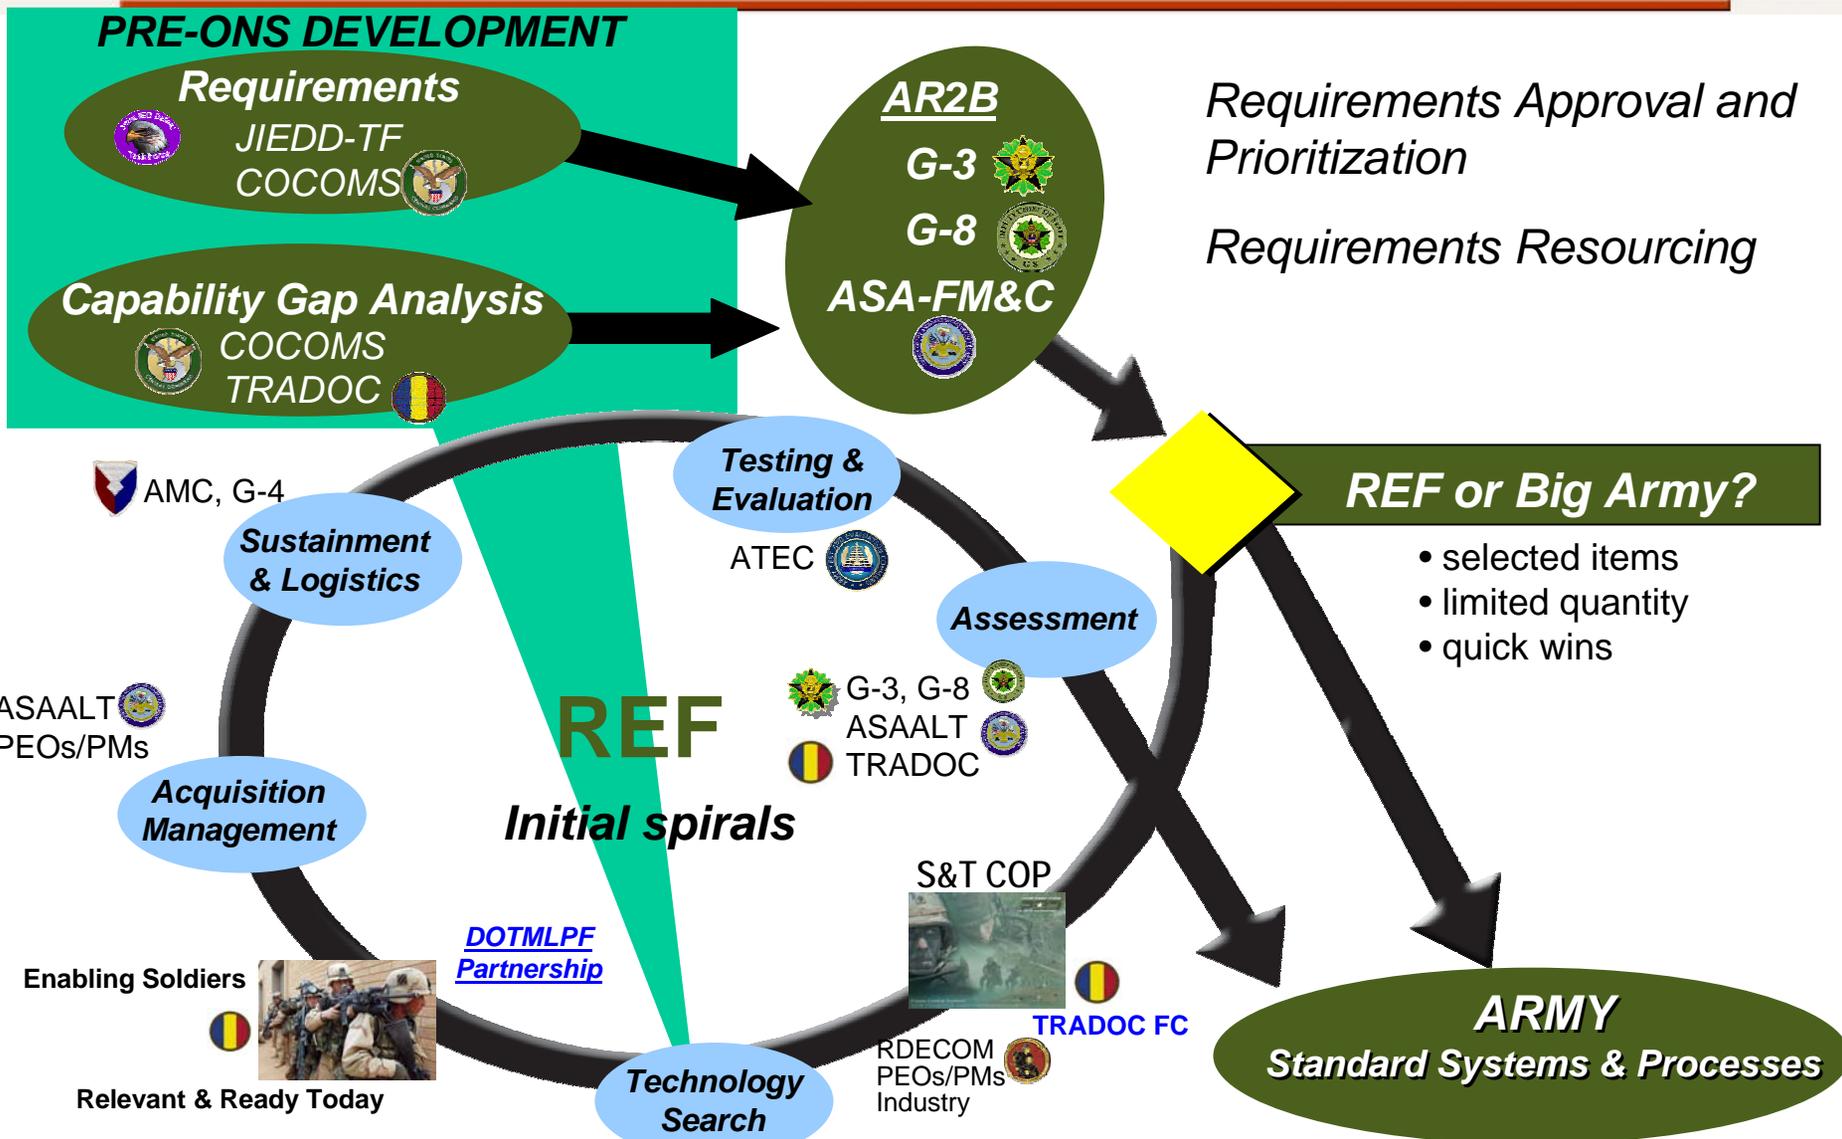

1. JIEDD-TF
2. In Theater
3. Enroute To Theater
4. Transforming Units

Mission: Provide operational commanders with rapidly employable solutions to enhance lethality, survivability and force protection through insertion of COTS-GOTS (Equip) and Future Force technologies (Insert) while informing Army stakeholders (Assess) to remain ahead of an adaptive enemy.

REF and the Army

REF Priority of Effort

REF

JIEDD-TF (DS)

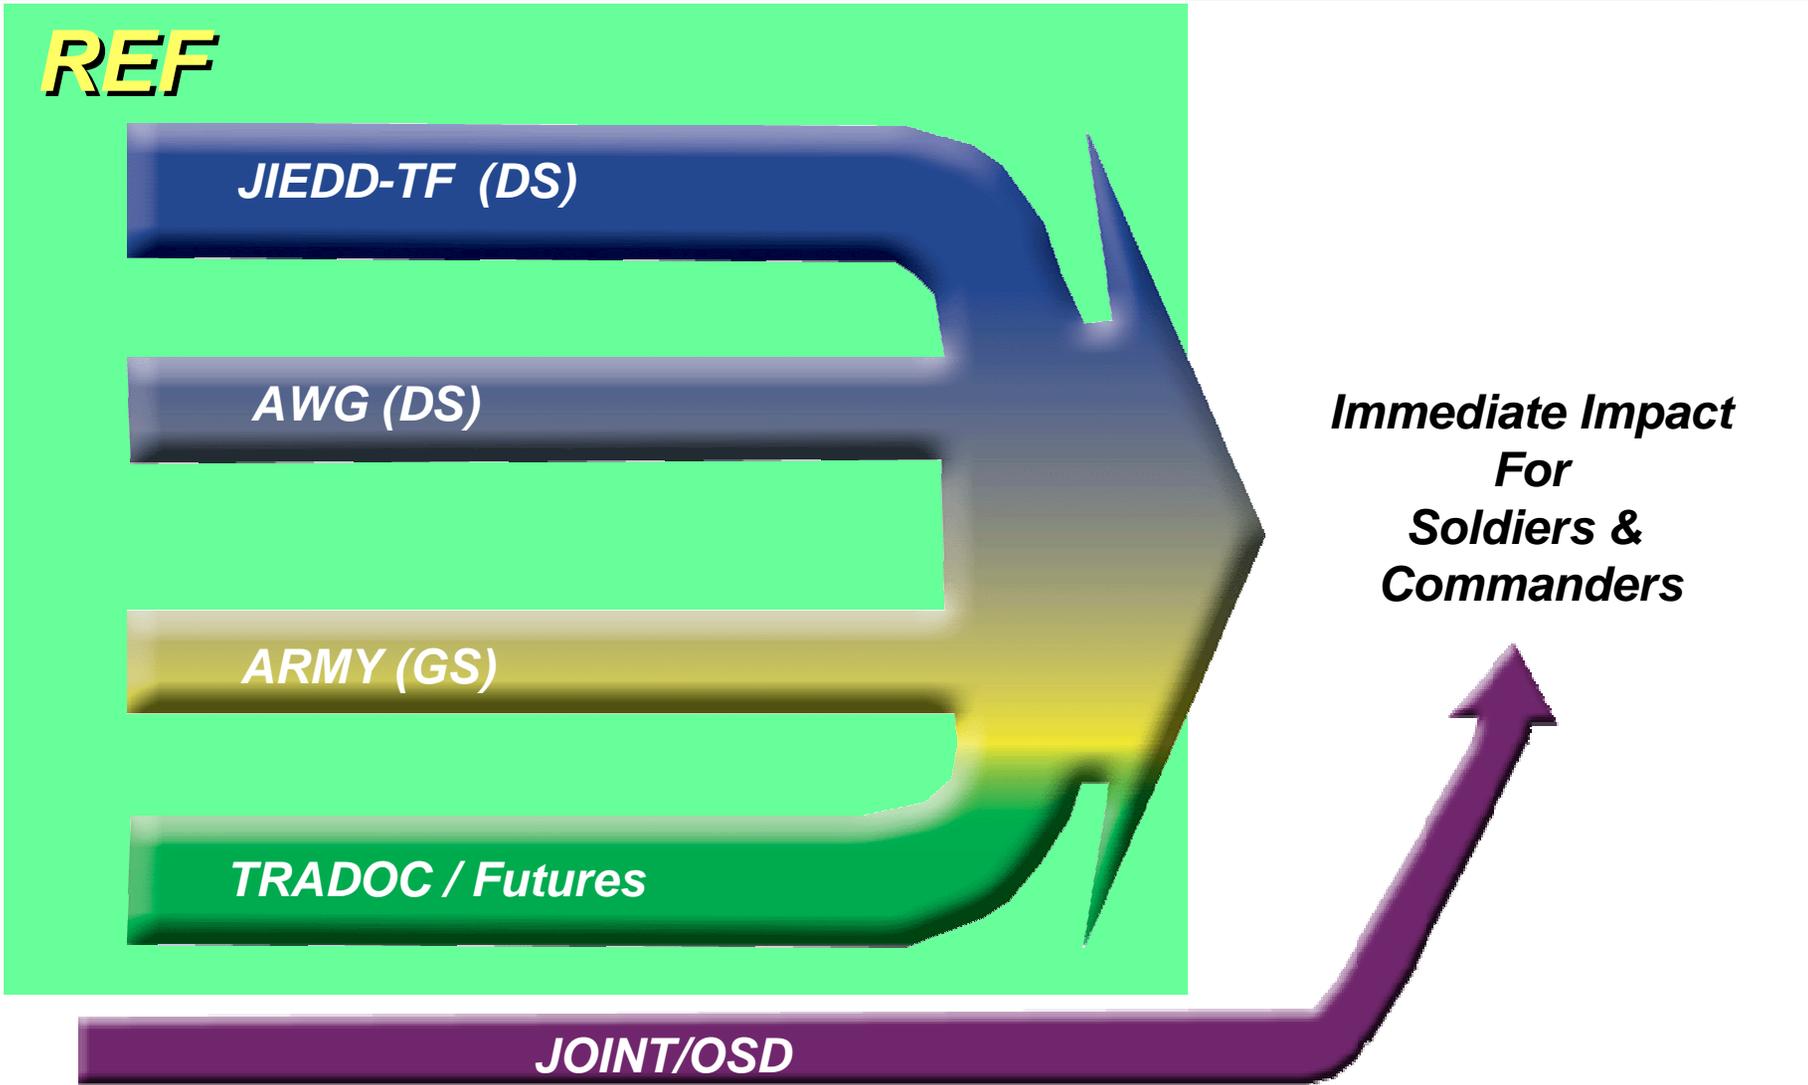

AWG (DS)

ARMY (GS)

TRADOC / Futures
