Civilian Education:

Syracuse University Syracuse, New York
Ph.D. 2002-
Major Fields: American Politics and Public Administration

Syracuse University Syracuse, New York
M.A. 2001-2002
Political Science
Major Fields: American Politics and Public Administration

University of Notre Dame South Bend, Indiana
B.A. 1990-1994
Major: Government and International Relations

Research Areas of Interest:

- Dissertation Topic: “Sparta in Babylon: The Public Philosophy of Soldiers and Civilians”
This is an empirical investigation of American political theory. It examines the ideological relationship between the worldviews of senior U.S. military officers and those of senior American business leaders.

Conference Papers:

“Sparta in Babylon: The Public Philosophy of Soldiers and Civilians”

- Presented at the International University Seminar’s Conference on the Armed Forces in Society, October 2004
- Compares the social and political thought of senior American Army officers and senior business leaders.

“Citizenship in Early American Romanticism”

- Presented at the New England Political Science Association Conference, May 2004
- Examines the construction of citizenship and community membership in early American fiction

“The Evolution of American Civil-Military Relations: A Conflict in Worldviews”

- Presented at the Mid-West Political Science Association Conference, April 2004
- Examines the two dominant theories of civil-military relations and their relationship to shifts in American political thought

“Latino Congressional Representation: Substantive, Descriptive or Situational”

- Presented at Southern Political Science Association Conference, November 2002
- Examines the evolving political role of Hispanic-Americans in Congressional politics
